DETROIT, April 9.—"Despite rumors to the contrary America is working and producing at topnotch speed for a victory which will give the world democracy," Secretary of the Navy Daniels, made this statement today after a complete tour of the American war producing plants.

"The chief trouble has been with proper organization. I have endeavored to aid the Washington authorities in this manner, and I now believe that we have worked out a plan which will roll out any little wrinkle that might appear."

"You can tell the people for me that the air craft department will live up to the expectations of the American people and the allies. They are doing things, big things, and it is only a matter of a little more time when they will show the world that what was considered impossible has been accomplished."

YOUTH! YOUTH! YOUTH!

—the Best Part of a Woman's Life—Why Should It Vanish So Quickly?

Don't let your youth go! And above all, don't lose your youthful appearance through old-fashioned prejudice. Women who a few years ago scorned the use of face powders or cosmetics, now depend on them to keep a youthful appearance. And this is equally true of the hair color restorer. Constantly, more and more women are using Q-Ban Hair Color Restorer to keep their hair dark and glossy and free from gray.

Q-Ban is not a dye. This you can prove by trying it on your combings. Does stain them instantly? No. Q-Ban has no immediate effect. Q-Ban is simply a delightful toilet requisite for restoring the natural color of the hair.

Q-Ban does not stain the scalp, wash or rub off or prevent washing or shampooing. Q-Ban is applied by brushing or combing through the hair.

## DUTCH MINISTER TO LEAVE CAPITAL, ALL HEALTH CAUSE

Dr. August Philips, minister from the Netherlands, has asked for and obtained a leave of absence from his government, and will sail for Holland soon. His health, it was explained, caused the minister to ask for relief.

He came to Washington in February, succeeding Chevalier Van Rappard. During his absence the embassy will be in charge of W. H. Du Beaufort, the counselor, as charge d'affaires.

Dr. Philips' departure, it was said at the legation, is for no other reason than the condition of his health and has nothing to do with the requisitioning of Dutch ships by the American and British Governments. The minister, it was explained, was ill when he came here.

## VILLA LEADING MEXICAN BANDITS ON TEXAS BORDER

MARFA, Tex., April 9.—Francisco Villa, the Mexican bandit, is again on a rampage on the border. For the first time in several months Villa is at the head of his band instead of leaving them in command of one of his aides.

American officers at Radford, Tex., opposite Mula, Mexico, have been informed that Villa is threatening the Mexican border garrison at Ojinaga.

It is also reported that a Mexican federal command under Colonel Valero engaged on Sunday a Villa force under Jose Chavez and was forced to retire because of a shortage of ammunition. Villa's main command, a report from Valero says, is fifty miles southeast of Presidio, Tex., in the Palomas mountains.

## Athletes Say Iron Is Greatest of All Strength Builders

Tell How They Get Power and Endurance to Win

Why These World-Famous Athletes and Strong Men Take Nuxated Iron As a Tonic, Strength and Blood Builder. It will increase the Strength of Weak, Nervous, Run-Down Folks in Two Weeks' Time in Many Instances.

WHEN interviewed on the baseball field, Harry Hooper, famous star of the Boston "Red Sox," said: "In the World's Series Games every player is put on his mettle. He must be able to play equally well in the ninth and first innings, for no score is closed while a single batter has an unhit ball ahead of him. Since I have made Nuxated Iron a part of my regular training, I have found myself possessed of strength, power and stamina to meet the most severe strains."

Joe Jackson, star batter of the Chicago "White Sox," winners of the last World's Championship Baseball Series, said: "Nuxated Iron puts me in a man a live wire and gives him the 'never-say-die' strength and endurance. When I see in the papers Jackson's batting was responsible for the Chicago victory, I feel like adding to it—Nuxated Iron puts the power behind the bat and gives the needed punch to every play."

In the office of his manager on Broadway, Freddie Hill when champion endurance racer of the World, said: "In no test of endurance and stamina do men need such tremendous reserve strength and power as in a six-day bicycle race. Doctors have always told me, and I believe I have proven it in my own case, that the blood must be filled with iron to give the terrible strain on mind and body. People marvel at my great strength and endurance, and wonder how I 'came back' so quickly after having had such a disastrous fall inflicting concussion of the brain. The secret is Nuxated Iron. It has put the old-time 'pep' and vim in my blood, and actually made me a stronger and better runner than I was at any previous time in my whole career."

Commenting upon the remarkable results which Nuxated Iron has produced for these and other athletes in so many branches of sport, Dr. James Francis Sullivan, formerly physician of Bellevue Hospital (now dean of the New York and the Western Chiropractic Hospital) said: "There are thousands of men and women who need a strength and blood builder, but do not know what to take. In my own opinion there is nothing better than organic iron. Nuxated Iron enriches the blood and helps to increase the strength and endurance of men and women. It is a true tonic, giving a man the power to put forth the extra effort necessary to win, whether it be in athletics or commercial life."

But you can't make strong, vigorous, successful, sturdy iron men by feeding them metallic iron any more than you can build up strength and health by feeding iron pills.

old forms of metallic iron must go through a semi-digestive process to transform them into organic iron—Nuxated Iron—before they are so ready to be taken up and assimilated by the human system. But in face of all that has been said and written on this subject by well-known physicians, thousands of people still insist on dosing themselves with metallic iron simply because it costs a few cents less. I suppose, because it costs a few cents less, I strongly advise readers, in all cases, to get a physician's prescription for organic iron—Nuxated Iron—or if you don't want to go to this trouble, then purchase only Nuxated Iron in its original package, ages and that this particular name—NUTRATED IRON—appears on the package. If you have taken preparation such as Nux and Iron and other similar iron products and failed to get results, remember that such products are an entirely different thing from Nuxated Iron.

Dr. A. J. Newman, formerly House Surgeon at Jefferson Hospital, Chicago, in commenting on the value of Nuxated Iron, said: "This remedy has proven through my own tests of it to excel any preparation I have ever used for creating red blood, building up the nerves, strengthening the muscles and correcting digestive disorders. The manufacturers are to be congratulated in having given to the public a long-felt want, a true tonic supplying iron in an easily digested and assimilated form. A true health builder in every sense of the word. If you are not strong or well, you owe it to yourself to make the following test: See how long you can walk or how far you can walk with two

five-grain tablets of Nuxated Iron, three times per day after meals for two weeks. Then test your strength again and see for yourself how much you have gained. Many an athlete or prize fighter has won the day simply because he knew the secret of great strength and endurance, which comes from having plenty of iron in the blood, while many another has gone down to inglorious defeat simply for lack of iron.

NUTRATED IRON, which has been successfully used by some of the World's greatest athletes, and which is prescribed and recommended by physicians, is not a secret remedy, but one which is well known to druggists everywhere. Unlike the older inorganic iron products, it is easily assimilated, does not injure the liver, make the blood black nor upset the stomach. The manufacturers guarantee successful and entire satisfaction to every purchaser, or they will refund your money. It is dispensed by J. C. O'Donnell's Drug Store and People's Drug Store.
